

SALE of Renewable Energy Credits (REC'S) From Community Solar Farms

	VCS sells REC'S	VCS doesn't sell REC'S
Cost of Community Solar	\$4/W	\$5/W
REC'S count toward Renewable Portfolio Standard in:	MA	VT
Solar project gets built?	YES	PROBABLY NOT

ACTUALLY, IF VCS DOESN'T SELL THE REC'S, THE REC'S WON'T COUNT IN VT EITHER, SINCE THE PROJECT WON'T GET BUILT AND THERE WON'T BE ANY REC'S TO COUNT
